This event honors those who have made significant contributions to enhance our quality of life and make our community a better place to live. The Annual Awards Dinner is an evening for all area businesses to come together and celebrate their successes and community contributions.

Join us this year as we take it back to the 1920s and celebrate our businesses and community “Gatsby-style”!

The event includes cocktails, networking, silent auction, dinner, and awards. It is a great networking opportunity!

## WINE PULL

Everyone’s a winner here! Stop by the Wine Pull table to purchase and take home a bottle! Proceeds benefit The Care Center and the Chamber Scholarship Fund.

It’s our vision to provide relief that leads to relationships that produces real life change and we exist to help our guests remove the barriers and build the resources needed to thrive in life. We are compelled to empower people in practical ways as we provide CARE: Community, Assistance, Resources and Encouragement.

We strive for the health of the whole person by helping people build physical, emotional, educational, relational and spiritual resources. We do this by helping people get back to work, build the basic life skills we all need to be successful, and break the cycle of poverty through one-on-one mentoring and coaching relationships.
